

## BIZI

Euskera is coming  
As if a whirlwind  
Overcoming all obstacles  
And bringing life in

Black and white chestnuts  
Sheep in wheelchairs  
Sluggish hares  
Wet feathers

**Live, live, little seed**  
**May you live a joyful life in Sakana**  
**Live, live and bring life**  
**This Nafarroa Oinez you come first!**

Oaks with crooked branches  
Trembling flowers  
Silent crickets  
Wild stars

Foreign crows  
Local blackbirds  
Bees with just one wing  
Deaf doves

A butterfly  
winking in the street  
And the spider's just said  
on social networks:

**Live, live, little seed**  
**May you live a joyful life in Sakana**  
**Live, live and bring life**  
**This Nafarroa Oinez you come first!**

A two-leaf clover  
Learning to count  
The blackberry on the roadside  
forgetting where to go

The mole of the white crook  
The cat of the street  
The trodden mushroom  
The caged bird

**Live, live, little seed**  
**May you live a joyful life in Sakana**  
**Live, live and bring life**  
**This Nafarroa Oinez you come first!**
